The gardens are lush, green and boast a colourful and seasonal array of trees, shrubs, roses, and naturalised bulbs – there is garden interest all year round – and that is not even to mention the amazing birdlife and birdsong that is just everyday! The back and side yard has a flat, grassy area suitable for pets and children to play, and dense mature vegetation creating a leafy privacy screen.

The separate 'barn' features a large open plan living space, kitchenette, loft and fireplace, and would be ideal as a craft/hobby studio, with potential perhaps as a B & B - or wedding/events venue.

Extra features include: Stables & horse shelter; shower room & toilet off the carport adjoining the barn; basement cellar; enclosed vegetable garden; orchard; chook yard; five fenced paddocks in total; your own natural bushland in which to wander and explore; and approximately 150,000 litres of water storage and a ¾ megalitre dam both with water pumps – the dam being a haven for ducklings every spring!

If you are looking for a home in the country that is special, does not require any renovation, and exudes space and privacy, yet is close to all town conveniences, then this one is unbeatable!

Located off Larry's Mountain Road and only 10 minutes to Moruya town centre, Moruya airport, Moruya hospital, local schools, the river, boat ramp and pristine coastal beaches.
