Quaint Cottage Overlooking Farmland @ Quaama

"Joylee" - Character, charm and a light filled home is the best way to describe this property, with its colourful gardens, mature fruit and shade trees, and a rural outlook making it a very inviting place to live.

The home was built around 1940's and has been renovated to ensure plenty of natural light floods in. Currently a two bedroom cottage with a large "L" shaped sun room, it could easily be converted to three bedrooms.

Features: Large central lounge room with slow combustion wood heater & gas outlet, both bedrooms have built in robes, renovated bathroom with plumbing for a washing machine, spacious sun room and easy access to the rear deck that overlooks the terraced gardens and farmland.

There is a laundry downstairs, plenty of under house storage and workshop space.
